Paul Johnson Leads Governor's Race By Large Margin Here

Paul Johnson carried Hancock County with a large majority in his bid for the Governor's seat in the State of Mississippi.

Johnson, a Hattiesburg attorney, received a total of 2208 votes. His nearest opponent was Fielding Wright, former Governor of the State with 1589 votes.

The other three candidates, Ross Barnett, J. P. Coleman, and Mrs. Mary Cain received a comparatively small vote in the county.

On a state-wide basis, it looks like Johnson and Coleman, the present Attorney General, will face each other in the second primary on August 23rd.

In the race for Lieutenant Governor, Carroll Gartin, the "Pretty Boy" of Mississippi politics, was a big landslide winner in Hancock County and throughout the state as well. Joe T. Patterson held a small margin over J. O. Hollis in the Attorney General's race. Carl N. Craig, the former State Auditor, received a vote of confidence in Hancock County in his attempt to regain the office he once held. Walter L. McGahey seeking re-election to the post of State Land Commissioner received a 97 vote edge over Robert E. Graham in the county.

Walter Dell Davis defeated another Davis, Bill, here by a large vote. This result ran throughout the State. St. Corley led the Commissioner of Agriculture and Commerce ticket over Charles F. Moseby.

In the State Tax Collector's race, the lady did it again. Mrs. Thomas L. Bailey topped all three of her opponents here by a margin of 800 votes. In the closest state race of the day on the entire ballot in Hancock County, W. E. (Bucky) Moore carried an 11 vote edge over C. M. (Red) Morgan.

In the State Highway Commissioner's race, John D. Smith topped Tom Roper by almost 700 votes.

District Attorney Boyce Holman, who only received a little over 300 votes in Hancock county the last time, ran roughshod over Arnaud Lopez, the Biloxi attorney. L. C. Ladner, Kiln High superintendent, and John Lumpkin tied up in a battle royal in the State Senator's race.

Ladner received 1761 votes to 1707 for Lumpkin. The official results of 22 out of 25 precincts in Hancock County is as follows:

GOVERNOR—	
Ross Barnett	840
Mrs. Mary Cain	178
J. P. Coleman	546
Fielding L. Wright	2208

Storm Hits Bay St. Louis Area Winds Recorded At 60 MPH At Peak

A small tropical storm with winds reaching a high of 60 miles an hour hit Bay St. Louis and surrounding territories Monday afternoon. It was accompanied by hard rains and a rapid rise in the tide.

The storm, named Brenda, struck with havoc along the beach front. A number of piers were completely destroyed and others partially destroyed by the winds and water.

A number of boats were wrecked by the rough waters. Two large trees fell in the city. One broke and fell across St. Charles Street and the other fell in the yard of Mrs. Delta Liza and landed on top of her automobile, causing a great deal of damage.

A majority of the local residents became frightened at the first report of the storm. Since the 1947 hurricane struck with such devastating force, the people along the Coast have been

come aware of the dangers accompanying such a storm.

Many of the people in the lower areas were prepared to vacate their homes if necessary. Visitors from New Orleans were not as disturbed.

The American Legion community pier was badly battered in sections.

Trains were stopped in Bay St. Louis due to a breakage in one of the bridges between the Bay and New Orleans.

The front of the storm traveled at a pace of eight to ten miles an hour.

Professional fishermen along the coast moved their boats to the bays in the Jordan River to ride out the storm.

At the peak of the storm, the tide was six feet above normal. It gradually subsided during the night.

The storm was followed by a torrent of rain, which lasted through Tuesday afternoon.

MAURICE ARTIGUES, JR. SIGNED TO PLAY FOOTBALL WITH S. L. I.

Maurice Artigues, Jr., has been signed by Southwestern Louisiana Institute to play football.

Maurice signed with the Lafayette College Monday for a full, four year scholarship.

This includes books, tuition, board and other fees.

Artigues graduated from St. Stanislaus in June. He lettered in football three years at the local prep school.

In his last year Artigues played center for the Rockaways and was one of the mainstays of the team.

Artigues was named to the Sea Coast Echo All Star team and received over 200 nominations for the Mississippi All Star Football game. However he was not selected to play in the annual high school bowl game held in Jackson.

While working with some of the younger boys during spring training, Artigues twisted his knee and had an occurrence of an old injury. Shortly after that he was operated on in New Orleans and has since recovered completely from the injury.

His knee has been pronounced in tip top shape by his doctors.

Artigues has to report for pre-season practice on September 1.

nations for the Mississippi All Star Football game. However he was not selected to play in the annual high school bowl game held in Jackson.

While working with some of the younger boys during spring training, Artigues twisted his knee and had an occurrence of an old injury. Shortly after that he was operated on in New Orleans and has since recovered completely from the injury.

His knee has been pronounced in tip top shape by his doctors.

Artigues has to report for pre-season practice on September 1.

Kent Sellier To Play In All-Star Game Tomorrow Night

Kent Sellier, the star end of the Bay High Tigers' 1954 football team, represents Bay St. Louis Friday night in the annual Mississippi All Star High School football game in Jackson.

Sellier was chosen as a member of the 33 men squad in April by a seventeen man committee composed of sport editors throughout the State.

He received the largest number of nominations in the entire Southern District.

Sellier was named to the All De Soto Conference team and also to the Sea Coast Echo All Star team.

He was the big gun in the Bay High attack last season.

He displayed outstanding ability on both offense and defense. He was also the place kicker for the Tigers.

Sellier is expected to start off for the South squad.

Coach Lance Lumpkin, who handled Sellier in his last year of his high school ball feels that Kent will "do good in the game."

He said, "I know that we will be very proud of Kent and his performance in the All Star game. He is in top shape and he really wants to play."

A nice crowd from Bay St. Louis and surrounding territory is expected to travel to Jackson for the game.

P. C. I. To Hold Invitational Golf Tourney, Aug. 21

The first annual Pass Christian Isles amateur golf tournament will be held on the local course Sunday, August 21st. This will be an 18-hole medal tournament with handicaps determining classes, A, B, C and D.

Play Saturday, August 20th, will consist of practice rounds.

Merchants and businessmen from Long Beach, Pass Christian, Bay St. Louis, Waveland and New Orleans have put up fifty prizes for the contest, which is attracting entries from numerous cities throughout the states.

Quite a few golfers from the New Orleans area also plan to attend.

The entrance fee is five dollars (\$5.00) per person and includes dinner at the Club Saturday night and use of the course Saturday and Sunday with paying green fees.

There will be prizes for first, second and third low net and gross in the various classes, men and women.

Dick Merritt of Bay St. Louis, present club champion and Roy Capehart of Pass Christian, runner-up, will be gunning for top honors.

Other Bay-Waveland entries expected are, Dick Mestayer, Jr., Bill Gaudet, Robert Genin, C. C. McDonald, Sr., John C. Seaford, L. S. Elliott, Don McCulloch, Alden Mauffray, Joe Scharrif, Roy Craft, Arthur Chapman, Buvo Blanchard, C. McDonald, Jr., W. J. Phillips, Leo Seal, Jr., O. P. Adams, John Griffin, Corlas Green, Jr., Howard Adams, Phillip Foye, Bob Hamilton, Herbert Wise, John McDonald, Mrs. John McDonald, Mrs. Howard Adams, Mrs. Phillip Foye (club champion), Mrs. Dick Merritt and many others.

The beautifully wooded 18-hole course is in excellent condition and is now being used by tourists from all over the United States. Those states most frequently noted on the guest register are Illinois, Michigan, Texas and Louisiana.

Handicaps must be certified by club chairman or professional and entries must be submitted by August 17th.

PRICE, LADNER ENTER SECOND PRIMARY IN SHERIFF'S RACE

Over 5000 voters turned out at the polls Tuesday despite the rains and winds.

In the Sheriff's race Gerald Price, Sr. and Sylvan Ladner, Jr., will face each other in the second primary to be held on August 23.

Price led the ticket in the first while Ladner was followed by Ed Ortle and Welton Ladner.

Clerk of Courts A. C. Mitchell will meet Warren Carver, a former Mayor of Bay St. Louis in the runoff. Mitchell held a large lead in the Democratic Primary Tuesday.

Superintendent of Education Ed Breland was re-elected to serve another term. It was a close race between he and Kenneth McCarty of DeDeaux.

Claborn Ladner received a strong vote of confidence as he was re-elected to the post of Tax Assessor over Oren J. Cusvas.

R. G. (Mummy) Hubbard and Sheriff John Egloff will run off the Beat Five Board of Supervisors race in the second primary. Hubbard led Egloff by several hundred votes.

In other Supervisor Beats around the County Charles W. Brunson in the runoff. Clifton Saudier and Hubert V. DeDeaux will be opponents in the Constable's race in Beat 3.

Marvin Bobinger was re-elected as Constable in Beat 4 by a 216 vote majority over Elmer G. Moran.

The three boxes reported as unofficial are South Bay, Flat Top and Napoleon.

The results of the races are as follows:

REPRESENTATIVE—

W. J. Fleming, Jr. 328
Clarence M. Ladner 1061
Edwin G. Larroux 831
Walter J. Phillips 1785

tain his office by defeating T. J. Whitfield Necaise on August 23.

Frank Kellar was unopposed in Beat 2.

In the Constable's race in Beat 5 Nolan Kingston, the incumbent topped the ticket.

It is a toss-up at this time as to who will be in the second race with him. Herman Mazarakis and Arthur Garcia are the hopefuls and the South Bay returns should tell the tale.

Harlan G. Dean was re-elected in the first primary in the Constable's race in Beat 1.

In the Beat 5 Justice of the Peace race without the South Bay returns it cannot be decided if any candidate will win the first.

If none has a majority, then the top four candidates will run the race off in the second primary.

Emile G. Piazza was re-elected Coroner and Ranger over Earl Ramond.

In the J. P. race in Beat 1, Joseph E. Bennett and Charles Lowe will meet in the second.

In the J. P. race in Beat 2 it will be C. C. Kellar and C. W. Brunson in the runoff.

Clifton Saudier and Hubert V. DeDeaux will be opponents in the Constable's race in Beat 3.

Marvin Bobinger was re-elected as Constable in Beat 4 by a 216 vote majority over Elmer G. Moran.

The three boxes reported as unofficial are South Bay, Flat Top and Napoleon.

The results of the races are as follows:

REPRESENTATIVE—

W. J. Fleming, Jr. 328
Clarence M. Ladner 1061

Funeral Rites Held For Fred Staehle in N. O.

Funeral services were held Thursday morning for Frederick Conrad Staehle, 79, lifelong resident of New Orleans, who died Tuesday night at his home, 4821 S. Johnson.

Final rites for Mr. Staehle, a retired railroad man, bakery official and realty executive, were conducted from the funeral home of P. J. McMahon and Sons, New Orleans. Requiem Mass followed and interment was in Metairie cemetery.

Mr. Staehle was first married to the former Anna Vaughn and there were four sons by marriage following her death he was married to the former Ethel Hoyt, who survives him.

Other survivors include his four sons, Fred Staehle Jr., of Dallas, Texas; and Earle J. Leslie, Jr. and Paul C. Staehle of New Orleans; a brother William A. Staehle, of Bay St. Louis; and three sisters, Mrs. Gertrude S. Sutter, Mrs. Anna S. Bannon and Mrs. Rosemary S. Boney, all of New Orleans.

Mrs. Janet Yancey In Final Review

On Thursday August 18 at 3:00 P. M. the Memorial Library will present Mrs. Janet Yancey in a book review. This will be the third and final review in the Library's 1955 series.

Bond Issue Election Tuesday

The City of Bay St. Louis will hold a bond issue election on Tuesday, August 9.

Four propositions will be on the ballot.

These are water works improvements, street improvements, construction of swimming pools for both the colored and the white and the purchasing of a new cemetery.

The voters can vote on each issue separately.

The commission council of the City made the following statement in regard to the election.

We have generalized in previous issues on the inadequate features of the present water works system. The following is a list of those areas which are presently being serviced by undersized mains. All of these will be replaced by 6 in. and 8 in. lines so as to meet the requirements of the Mississippi State Rating Bureau and also to provide a more than adequate volume and pressure for domestic and industrial purposes. The proposed system is designed, so that future extensions in our growing fringe areas are anticipated and these additions may be constructed at a minimum cost.

Following is a list of streets being serviced by undersized mains: Dunbar Avenue, 3 inch and smaller—Burnette Street 2 inch and smaller—Julia Street 3 inch and smaller—Thomas Street 2 inch—Leonard Avenue "A" Street to Dunbar 3 inch—Boardman Avenue 3 inch and smaller—Melody Lane 2 inch—Leopold Street 2 inch—Pellicy Street 2 inch—Second Street (Beach to Buella) 2 inch—Second Street (Easterbrook to Carroll) 3 inch—Webster Street 2 inch—Ulma Street to Beach 2 inch—Gallatin Avenue (Necaise to Dunbar) No line at present—Necaise Avenue (Main to Ulma) 3 inch and smaller—St. George Street 2 inch—Deaton Avenue 2 inch—Main St. (Dunbar to City Limits) 2 inch

—St. Francis 3 inch and smaller—St. John 2 inch—Easterbrook Street (Except from Well to Necaise) 2 inch—Phillips St. 2 inch—Breath's Lane 2 inch—Bay View Court 2 inch—McDonald Lane 2 inch—State Street (Toulme to Beach) 2 inch—Court Street (Second to Gex) 2 inch—Union Street (Second to Beach) 2 inch—Booker St. (St. Francis to Necaise) 3 inch—Sycamore Street (Except 1 1/2 blocks from Beach) 2 inch—Washington Street 2 inch—Citizen Street (Railroad Avenue from Washington to Citizen) No line at present—St. Charles Street (From McCall St. to City Limits) 2 inch—Carre Court 2 inch and smaller—Third Street (St. Charles to Ramoneda) No line at present—Ramoneda Street 2 inch—The above very clearly illustrates the inadequacy of our present water works system. Approximately 75% of our City is now being serviced by 3 inch mains or smaller.

The Engineers' survey of the proposed improvements is available at the City Hall and any member of the Council will be happy to show it and answer inquiries from interested persons.

The suggested rate schedule provides for a \$2.00 minimum charge for the first four thousand (4000) gallons of water. The City of Bay St. Louis has 1545 water customers. According to the Engineers' report, it is anticipated that 52% or 819 of these customers will average 4000 gallons per month or less. This reduced to a per gallon basis means that water will cost 1-20 of 1 cent per gallon or 20 gallons for 1 cent.

The complete suggested rate schedule is as follows: the first 400 gallons, minimum \$2.00; the next eleven thousand gallons @ \$0.29 per thousand gallons; the next thirty-five thousand (35,000) gallons @ \$0.24 per thousand gallons; the next 150,000 gal-

lons @ \$0.20 per thousand gallons; the next 800,000 gallons @ \$0.12 per thousand gallons.

The Gross revenue from the present flat rate is approximately \$13,000.00 per year. This amount is only sufficient to maintain the system in its present condition and any extensions which are made obviously must be made with small lines.

We may summarize the situation in which we presently find ourselves with the following facts: (1) Our present Water Works System is inadequate and antiquated; (2) Metered service will insure conservation of our water supply and eliminate unnecessary and wasteful usage; (3) Approximately 95,000 feet of undersized mains afford us little, if any, fire protection in these areas; (4) Unless our system is modernized and improved to meet the State Rating Bureau requirements, our present fire insurance rates will definitely be increased approximately 65%; (5) We have employed one of the best Consulting Engineers in this particular field in the State of Mississippi to design a water works system which will meet the requirements of the State Rating Bureau. According to our Engineer, the only way that we can possibly finance the improving and modernizing of our present system is by the issuance of Revenue Bonds.

We are certain that most of us realize that to continue in this manner is false economy; that each year as our community grows our present problems will become more acute. Sooner or later we are bound to reach a severely critical stage where we will be forced to take emergency measures to correct the situation. Why wait and flounder along dreading what might come to pass. We know what our problem is and how it can be solved.

CHECKS TALLY IN SHERIFF'S RACE—Gerald Price, the leading candidate in the Sheriff's race in Hancock County checks the tally as the first primary race nears the finish. Price will face Sylvan Ladner in the second primary on August 23.

These Are The Facts - Now Let's Face Them We Know And Understand Our Problems And We Have A Plan Which Will Solve Them It Is Up To You

Everyone is invited to attend the Open Forum at the Bay High Auditorium tonight to discuss all phases of these issues with the Commission Council and Engineers.

Vote For The City Bond Issues

The people of Bay St. Louis will have an opportunity on Tuesday, August 9th to determine whether or not the City shall embark upon a far-sighted plan which will assure the future growth and development of our community.

Proposition No. 1. Is the proposed Water Works Improvement. This plan provides for the issuance of \$600,000 of bonds which will be used to refund \$99,999 of outstanding Gas Bonds and \$501,000 for the cost of the improvement and extension of the Water Works System.

Proposition No. 2. Provides for the issuance of \$70,000 of Bonds for the purpose of purchasing a much needed Cemetery site.

Proposition No. 3. Provides for the issuance of \$8,000 of Bonds for the purpose of constructing and equipping two swim-

ming pools.
Proposition No. 4. Provides for the issuance of \$116,000 of Bonds for the purpose of constructing and improving and paving certain streets, including storm drainage facilities, incidental thereto.

Last year the City Council asked the people of Bay St. Louis to vote for a one-half (1/2) cent City Sales Tax, with the understanding this additional revenue would be used to finance the cost of street improvements and incidental drainage, the purchase of land for a new cemetery site and for the development and improving of our recreational facilities, and a wage increase to all City Employees which has been in effect since last October. That response was overwhelmingly favorable. We have been provided with the necessary revenues to carry out

all of the above improvements and now we are asking you for final approval which will make it possible to carry out in its entirety the program which we had promised to do.

The cost of the street improvements, cemetery site and Swimming pools will be borne entirely by the revenues from the City Sales Tax. There will be no increase in the Ad valorem Levy.

The water works improvement will be financed by revenue bonds. Our water works system if allowed to remain in its present condition will mean an increase in our insurance rates; many areas which do not have sufficient water for domestic uses will continue to be faced with this critical problem; and the fire flow in most of our City will continue to be inadequate and provide for a minimum of fire protection.

Sea Coast Echo, Thursday, August 4, 1955

Waveland News

Mrs. Sidney Carrio, Mrs. Roger Bordages and Mrs. Harris Patilla and son, Bud, spent several days last week in Baton Rouge, La., visiting Mr. and Mrs. Edward Carrio and daughters.

Mr. and Mrs. Arvil Jensen, and Mrs. William Cobb attended the wake of Mrs. J. C. Boylan in New Orleans on Wednesday.

Mr. and Mrs. Norman Hall, Jr., and daughter, Lynne are visiting Mr. Hall's parents in Rust, Texas.

Congratulations to Mr. and Mrs. Jack Toomey, nee Gertrude Johnson, who announced the birth of their second child, and son, Friday, July 28, at Kings Daughters Hospital.

Mr. and Mrs. Charles Richard of New Orleans were weekend guests of Mrs. Richard's mother, Mrs. T. J. Bourgeois, Sr.

Mr. and Mrs. Clifton Bourgeois and children of Memphis, Tenn., are spending two weeks with Mr. Bourgeois' parents, Mr. and Mrs. Alfred Bourgeois.

Mr. and Mrs. Johnny Star of Biloxi, entertained a few relatives and friends aboard their boat the Lillian B Sunday. A most enjoyable time was had by all present and delicious food and drink were served by the Stars. The Lillian B also participated in the Shrimp Festival.

Those present were Mr. and Mrs. Nevell Choina and sons, Darrel and Harry and Mrs. Victoria Henley of New Orleans, Mr. and Mrs. A. Canabos, Mr. and Mrs. S. Catana, Mr. and Mrs. Robert Henley and daughters, Dianne and Cindy and son, Robert, all of Bay St. Louis, Mr. and Mrs. Kitty Lewis, Mrs. Salina

City Echoes

Mrs. Arthur Ward and daughters left Sunday for Jacksonville, Fla., where she will spend a few days with relatives prior to her departure to England, where she will join her husband, who is stationed there with the Air Force.

Mr. and Mrs. Ralph Blaize, Jr. and son of Algiers spent several days last week visiting Mrs. R. S. Blaize, Sr. and family.

Mrs. Wilbur Adam, who spent several days in Baptist Hospital in New Orleans, is back home.

Miss Janice Newell, who was a member of the local welfare staff, left Saturday for her home in McComb, Miss.

Recent visitors in the E. J. Arceneaux home were Mrs. Arceneaux's sisters, Misses Marcelle and Julia Menou, and Miss Agnes Stansbury of Iota, La.

Dr. and Mrs. A. P. Smith left Friday on a trip to points in Florida.

Mr. and Mrs. Ainsworth Kidd of Almirante, Panama, visited Mr. Kidd's parents and other members of his family last week. They are now spending a while in New Orleans.

Claude Monti, who was a patient in Kings Daughters hospital, is convalescing at his home.

W. L. Bourgeois left Wednesday for Hattiesburg where he will spend several days with his son-in-law and daughter, Mr. and Mrs. L. A. Rogers and family.

A recent guest of Mrs. A. C. Exniclos and Miss Josie Miller was their sister, Mrs. R. M. Miller.

Mr. and Mrs. Bernard Farr of Baton Rouge spent the weekend with his parents, Mr. and Mrs. Horace Farr, visiting at the R. Jaubert.

Mattina, Mr. and Mrs. Dewey Garlotte and son, Dewey, Jr., all of Biloxi and Mr. and Mrs. Kevin Garlotte and son, Kevin of Peoria, Illinois.

Week-end guests of Mr. and Mrs. Ducre Bourgeois were Mr. and Mrs. Henry Forte and sons, Frank and Russell of Kaplan, La. Mr. and Mrs. Andy Broussard and daughter, Barbara and Billy Henry all of Sulphur, La.

home in New Orleans over the weekend were Misses Kit Roth and Ann Blanchard.

Mr. and Mrs. Carlisle Bourgeois of Jeanerette, La., were week-end guests of their son-in-law and daughter, Mr. and Mrs. Robert Camors and family.

Little Betty Billups is visiting her grandparents, Mr. and Mrs. Walter J. Gex.

Edmond Loeliger, Jr., who was called to Bay St. Louis by the death of his mother, returned to Washington Tuesday.

Connie Ripple, who was a patient at Memorial Hospital, Gulfport, returned to her home Monday.

Returning from Camp Bratton-Green at Way, Miss., this weekend were Misses Patsy Shadoin, Martha Allison, Jenne Ling and Rusty Breath and Jimmy Shadoin and Jo Carroll.

County Agent

Notes

Home Canning

Irish potato planting time is here. Recommended planting dates for fall Irish potatoes are August 15 to 25 in South Mississippi.

There is still time to plant tomato suckers—these can be set through August 15. This deadline also applies to planting pole snap beans, pole lima beans, rutabaga and Chinese cabbage.

Some recommendations for fall plantings are: Use Shogoin turnips for early plantings—they are lice resistant, later use Seven-top. Soak beet and chard seed overnight before planting.

If dry weather catches you, open a deep drill and water it, sow the seed and cover with dry soil.

It is also a good time now to prepare your rows for September plantings.

Poultry

Remember there is still a lot of hot weather left. Do all you can to keep your poultry cool. Provide plenty of fresh water at all times, allow the birds plenty of ventilation, and plenty of floor space—do not crowd birds in the house.

Maintain egg quality. Gather eggs several times a day—use a wire basket for gathering them, cool them out promptly after gathering and then keep them cool. Candide all eggs be-

fore marketing.

Social Security

The Social Security Administration has recently revised its position regarding coverage of certain farmers for Social Security purposes.

The share cropper was previously regarded as an employee of the land owner and was to be reported on the annual report provided his share of the crop came to \$100 a year.

CARD OF THANKS

We would like to thank our many friends for the kindness and sympathy shown to us during the sickness and death of our father.

We would like to extend special thanks to Dr. Quigley, the Fahey Funeral Home, Rev. Tillman, Rev. Haynes, Rev. Rhodes and Rev. Sam of Logtown.

BIRTHS

Mr. and Mrs. Rico Gatti, nee Nanette Arceneaux, announce the birth of their first child, Rico, Jr., in Augsburg, Germany, on Tuesday, July 5.

Rico, who underwent a major operation when he was just two days old, is now at home and according to recent letters received by his grandparents, Mr. and Mrs. E. J. Arceneaux, is improving.

BAPTIZED SUNDAY

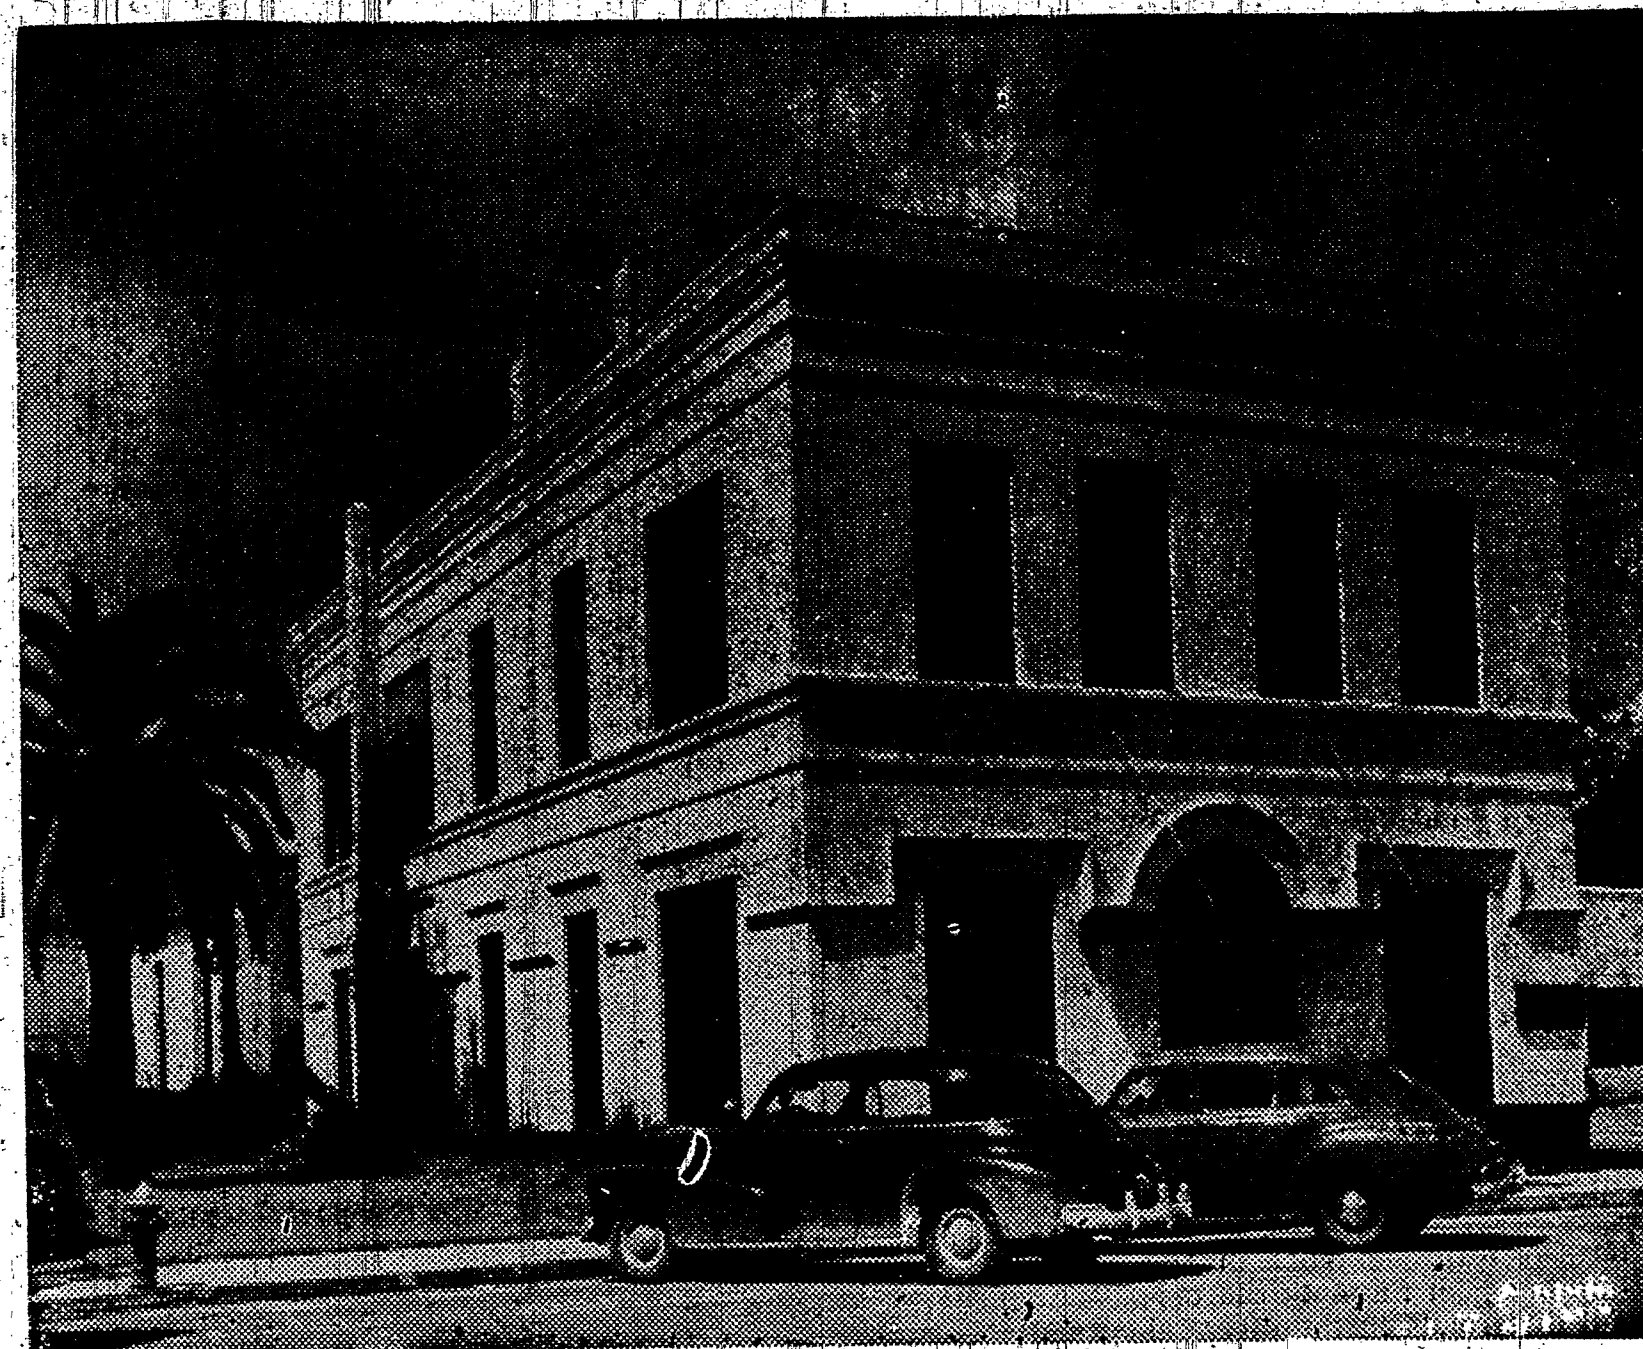

Ann Lorraine, infant daughter of Mr. and Mrs. Raymond Kidd, was baptized Sunday at Our Lady of the Gulf Catholic Church. Sponsors were the baby's great-great aunt, Miss Mae Parillo, and Robert Mark Solomon.

Mr. and Mrs. John H. Toomey, nee Gertrude Johnston, announce the birth of their second son at Kings Daughters Hospital, Friday, July 29.

HONORED AT SHOWEE

Miss June Breath entertained at a surprise shower at the home of her parents on Friday, July 29, honoring Miss Sylvia Horton, who was married Saturday. A pink and white color scheme was carried out in the refreshments and decorations.

The Great Adventure

Statistics, business charts and indexes indicate that prosperity has been coming South for some time. Manufacturing employment in the Southeastern States increased 17.1% since 1946, compared with the national average increase of 10.8. Their share of the total national income was 10.51 percent in 1929 and 14.09 percent in 1953.

What ever yardstick is used to measure the progress and prosperity of the Deep South, it shows substantial gains and all signs point even to a more promising future.

Mississippi, which until recently was primarily agricultural, with industrial activity limited to the manufacture of lumber also catches step with the trend and moves on to an expanding and balanced economy.

Never in her history, not even in her ante-bellum glory, when Natchez had more millionaires than any city in the country, has Mississippi enjoyed such flourishing times. Her agriculture is being diversified, her cutover lands being wooded, new oil and gas fields being discovered, her natural resources

and native talent are cashing in as never before in an area in which the South comes so richly into her own.

Give Mississippi continued enlightened leadership; good government; a sound economy, both private and public; give her people the encouragement and the incentive to make the most of their skills, talents and resources, and she will write an exciting chapter in civic and economic achievement.

That is the great adventure to which we all need turn our thoughts and hands in the ringing challenge that comes at the halfway mark in the year 1955. These are the new frontiers on which we need pioneer. Only with vision and courage can we build the kind of communities in which those who come after will take pride and gather inspiration. Only in that spirit can this magnificent Coast Country and Mississippi realize fully upon their natural advantages. Prosperity and happiness thrive only in a climate conducive to decent living, in an environment encouraging to the development of character and the cultivation of economic stability.

THE SEA COAST ECHO

A CONSTRUCTIVE FORCE IN THE COMMUNITY

Sixty-Fourth Year of Publication
Published by the Sea Coast Echo, Inc.
Bay St. Louis, Mississippi
Jeffrey J. Favre, Editor
Gregory Favre, Associate Editor
Official Journal Hancock County
Subscription Terms, \$2.00 Per Annum
Member State Press Association

Entered as Second Class matter at the Postoffice, at Bay St. Louis, Miss., under Act of March 3, 1879

Our Policy

With unbounded pride we take over the ownership and editorship of this publication. Since its establishment on Jan. 9, 1891, the Sea Coast Echo has been a monument in Hancock County. As the County grew, so did the Echo. Over the years, the Echo has had such editors as Charles G. Moreau, A. G. Favre, Sr., Udell L. Favre, and Stan Opatowosky, who have been fearless in printing the news without favoritism or bias.

Through the many years, this paper has established an edifice of profound good will, high ideals and an intelligent and unbiased trend of thought. The sole aim of the former publishers of the Echo was to give the people a newspaper that would help build the community which it served.

We shall endeavor to maintain these high standards of newspaper publication established by former editors. Our aim will ever be to construct, build and mold such public opinion that would prove an asset to both the community and its citizens. Each year this paper has grown in stature and circulation, and we hope to add to its continuously growing list of readers which now numbers over three thousand.

During the past few years, some members of this community have branded the Echo with the name "Scandal Sheet" because its columns fought for an honest and efficient government and reported the news as it was. Well, this publication will continue to fight for an honest and efficient government, not only in Bay St. Louis and Hancock County, but throughout the entire State of Mississippi if, and when necessary.

We feel that it is the duty of a community newspaper to give the public the facts as they appear, with no favoritism or coloring. It will be our endeavor to bring good publicity to Hancock County and try to sell our town and County to the outside public. But to do this the Echo will take issue whenever necessary with the minority who would destroy the county for their own selfish benefits.

There is always room for improvement in any newspaper, and we earnestly desire to do so through better proof reading, good pictures and more local news coverage of the various organizations of this county.

"Bond Issue Election"

The people of Bay St. Louis will go to the polls again. This is a bond issue election.

Four issues are at hand; proposed improvements in the water works system; proposed swimming pool for both the colored and white; hard surfacing of all dirt roads in the city and a new cemetery for the city.

All of these are important for the progress of Bay St. Louis. If we are to prosper, we have to have the necessary facilities to help catapult us toward that goal.

Perhaps the most essential issue and also the most controversial is the proposed water works improvement. After much deliberation and consideration the City Fathers felt that the only answer to the water problem was a complete renovation of the present system.

Bigger mains are needed throughout the city. Unless the system is improved to meet the State Rating Bureau specifications our insurance rates will rise to a meteoric 65%.

IN THE MATTER OF THE ESTATE OF ARTHUR E. MARSHALL, DECEASED.

By: Ethel A. Marshall, Executrix

Letters testamentary on the Estate of Arthur E. Marshall, deceased, were granted to the undersigned by the Chancery Court of Hancock County, Mississippi, on the 2 day of July, 1955, and therefore, notice is hereby given requiring all persons having claims against said estate to have same probated and registered by the Clerk of said Court within six months from this date, and failure to so probate and register same in six months will bar the claim.

MRS. ETHEL A. MARSHALL, Executrix of the Estate of Arthur E. Marshall, Deceased.

NOTICE TO BIDDERS

NOTICE OF PROPOSAL TO LEASE TO THE CITY OF BAY ST. LOUIS CERTAIN ROAD IMPLEMENTS OF EQUIPMENT WITH AN OPTION TO PURCHASE SAID ROAD IMPLEMENTS OF EQUIPMENT AND NOTICE OF SALE BY THE CITY OF BAY ST. LOUIS OF ONE SECOND HAND CATERPILLAR MOTOR PATROL.

MODEL NO. 10. Notice has been given that the Commission Council of the City of Bay St. Louis will receive sealed bids to be delivered to the Clerk of said Council of the City of Bay St. Louis, will receive sealed bids to be delivered to the Clerk of said Council, on or before

Wednesday (10:00) o'clock A. M., on Monday, the 15th day of August, 1955, at the City Hall in said City and then and there publicly opened and read, for furnishing the City the following road implements of equipment:

1-Tandem Drive Motor Grader powered by gasoline engine, 10 foot moldboard, hydraulically operated; with

power circle and leaning wheel axle; weighing not less than 8500 pounds.

1-Three (3) cubic foot portable asphalt plant mounted on pneumatic tires powered by air cooled gasoline engine equipped to mix either hot or cold mix.

1-Demonstrator 3-5 ton tandem roller, gasoline powered, on purchase rental basis consisting of seven (7) equal quarterly installments, the first installment to be made on January 1st, 1956 and the seventh or final installment to be made on July 1st, 1957.

At the same time and place the City will receive bids for the sale of the following piece of road implement of equipment:

1-Used Caterpillar Motor Patrol Model No. 10 which piece of equipment is available for inspection at the City Barn on Uman Avenue in the City of Bay St. Louis. The price of the above equipment to be sold may be paid for in cash or be a credit as a trade-in against any of the items set out above on which bids are to be taken.

All proposals on purchase rental basis must contain the further provisions that if the quarterly payments of rental are promptly made by the City that the equipment will be sold to the City at the end of said term or at any time by a payment of the full rental price, less a credit for the quarterly rentals previously paid.

The Council reserves the right to reject any and all bids, waive all formalities and to accept any bid if in the judgment of the Council it appears that such bid is in the best interest of the City of Bay St. Louis.

This 18th day of July, A. D., 1955.
City of Bay St. Louis, Miss.
J. Cyril Glover, City Clerk.

Even though we have some of the most modern fire fighting machinery available, we are still faced with a most critical situation in this regard, because of the small water mains in our system.

We have suffered a water shortage in the past because the water has been metered. The new system will take care of this problem.

Weigh these facts against the small increase in water rates and we are sure that you will feel that the water works improvements will be another step toward future progress.

The bonded indebtedness of all the issues except the water works will be taken care of by the sales tax collection in the city.

Swimming pools for both the colored and white would certainly be a forward movement. Our colored friends are now confined to a small number of places where they can enjoy this outdoor entertainment.

They deserve this consideration. You can see that they get it. In our opinion the issue at hand are steps in the ladder toward progress.

And progress walks hand in hand with prosperity.

NOTICE FOR BIDS

The Hancock County School Board will receive sealed bids in the office of County Supt. of Education up to August 8th, 1955, 10 A. M., on the following supplies to be used by Hancock County Owned School Buses during the 1955-56 term:

Regular Gasoline
Ethyl Gasoline
Motor Oil (all weights)

700 x 20 8 & 10 Ply Tires
750 x 20 8 & 10 Ply Tires
825 x 20 8 & 10 Ply Tires
Batteries - all types

The company who is the successful bidder for gasoline will be required to furnish tanks and pumps and maintain the upkeep of them.

The Board reserves the right to reject any and all bids. Done by the order of the Hancock County School Board this 23rd day of June, 1955.

(Signed) E. E. Ireland
County Supt. of Education
7-21-55.

ELECTION NOTICE

To: The Qualified Electors of the City of Bay St. Louis, Mississippi.
You are hereby notified that on the 5th day of July, A. D. 1955, the Council of the City of Bay St. Louis ordered that

an election be held in said City on the 9th day of August, 1955, for the purpose of submitting to the qualified electors of said town the following proposition (Continued on Classified page)

Proposition No. 1

"Shall the City of Bay St. Louis, Mississippi, improve and extend its waterworks plant and system and refund certain outstanding Gas Revenue Refunding Bonds in the principal amount of \$40,000, and issue in payment of the cost of such improvement, continued from preceding page additional bonds of said City, said bonds to be in the sum of \$300,000, bearing interest at the maximum rate of four and one-half percent (4 1/2%) per annum, and maturing serially over such period of years not to exceed twenty-five (25) as may be determined by the Council?"

Proposition No. 2

"Shall the City of Bay St. Louis, Mississippi, incur debt and issue bonds to the amount of \$80,000.00, to run twenty-five (25) years from the date thereof, and to bear interest at the maximum rate of four percent (4%) per annum, for the purpose of constructing and equipping two swimming pools in said City?"

Proposition No. 3

"Shall the City of Bay St. Louis, Mississippi, incur debt and issue bonds to the amount of \$70,000.00, to run twenty-five (25) years from the date thereof, and to bear interest at the maximum rate of four percent (4%) per annum, for the purpose of constructing, improving and paying certain streets in said city, including storm water drainage facilities therein incidental thereto?"

at the maximum rate of four percent (4%) per annum, for the purpose of purchasing land for cemetery purposes in or near said City?"

Proposition No. 4

"Shall the City of Bay St. Louis, Mississippi, incur debt and issue bonds to the amount of \$116,000.00, to run twenty-five (25) years from the date thereof, and to bear interest at the maximum rate of four percent (4%) per annum, for the purpose of constructing, improving and paying certain streets in said city, including storm water drainage facilities therein incidental thereto?"

Proposition No. 5

Said election will be held at the usual voting places in said city, namely, in the Health Office in the City Hall for North Bay Precinct and on the east side of the main road, the City Hall for South Bay Precinct. Said election will be held between the hours of 6 o'clock A. M., and 6 o'clock P. M., and all qualified electors of the City of Bay St. Louis shall be eligible to vote at said election.

Notice is further given that on August 10th, 1955, at 10:00 o'clock A. M., the Council will meet at the regular meeting place of said Council in the City Hall will then publicly canvass and declare the results of said election.

Given at The City Hall of Bay St. Louis, Mississippi, this 5th day of July, A. D., 1955.
J. C. Glover, Clerk.

Why Ford has more new friends than all other car makers combined

"Ford's 284,178 sales" gain in the past year was greater than the gain of all other cars combined

Even a quick "once over" look tells you a big reason why the overwhelming swing is to Ford—future-fashioned styling!

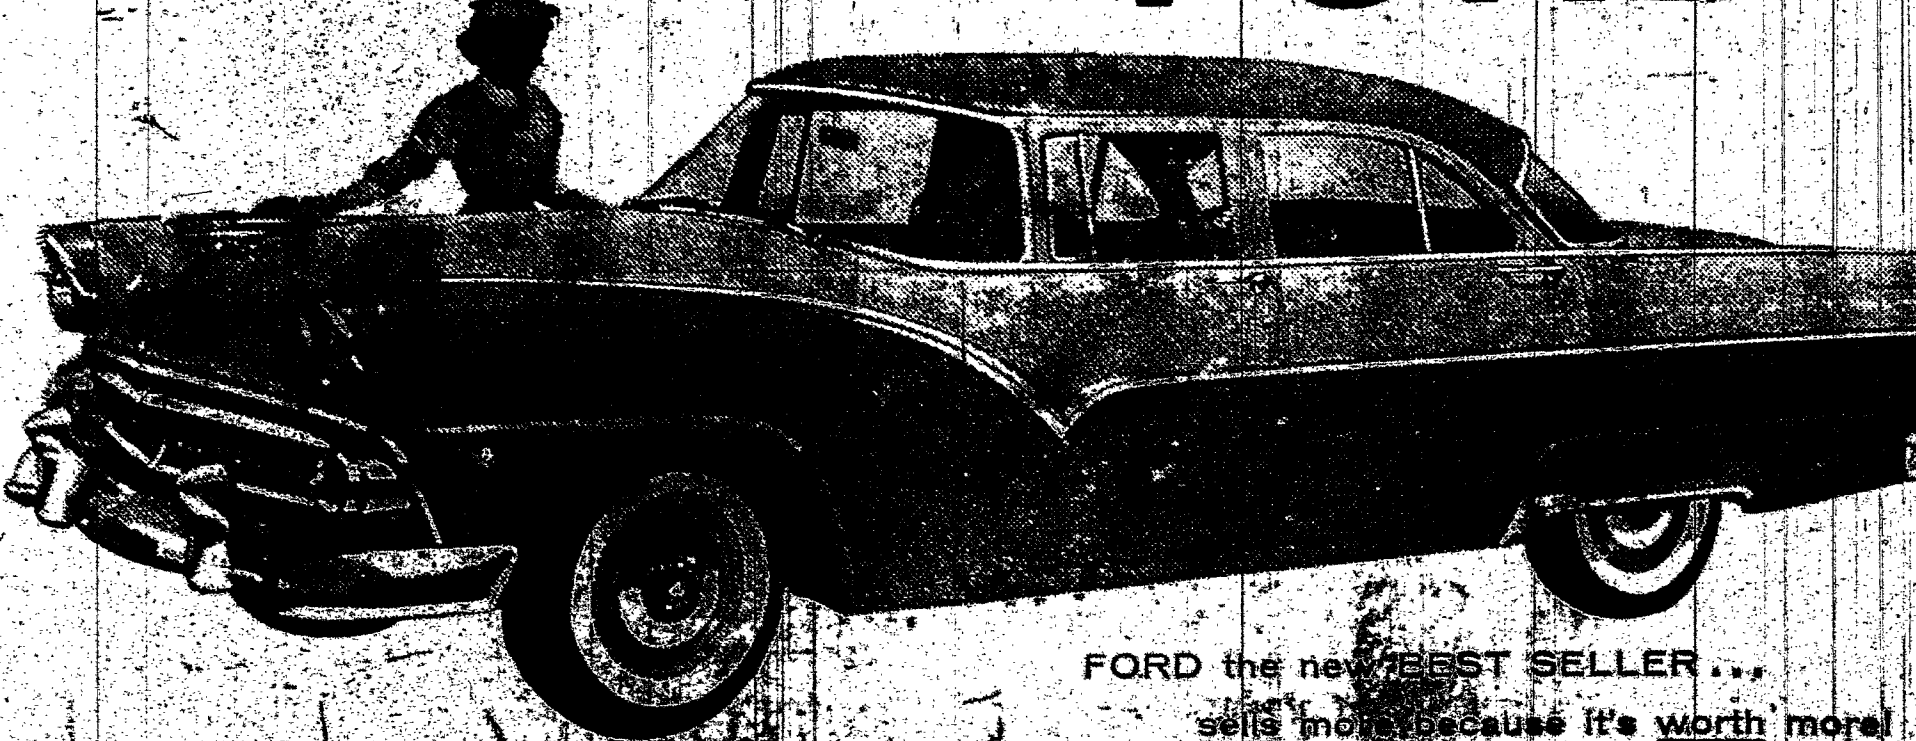

And in Ford's 16 beauties for '55—Thunderbird look says "tomorrow" more eloquently than words can. Here is styling that draws envy from the owners of the costliest cars—styling that will stay in style. Inside, Ford has created new Luxury Lounge interiors. New colors, new fabric designs—pure enchantment!

With Ford's exhilarating Trigger-Torque "GO" V-8 or Six, you're bound to feel the difference Trigger-Torque makes. You trust it in passing. You love its breezy, instant response on hills. Even in traffic driving is fun!

You'll find other worth-more advances... such as Ford's smoother Angle-Raised Ride, its rugged five-cross-member K-bar frame, its five optional power assists that make driving a dream.

And don't forget resale value. In recent years Ford has consistently returned more of its original cost at resale than any other car in its field. Come in and Test Drive a '55 Ford. You'll want to drive it home!

Come in during our Summer Bandwagon SELL-a-bration for the BEST DEAL of the year on a beautiful '55 **FORD**

FORD the new BEST SELLER... sells more because it's worth more!
